

Employee's Declaration for Tax Purposes

We are hereby sending you the employee's declaration for tax purposes.

The wages tax credit is a reduction which applies to the wages tax/national insurance premium. The wages tax credit can only be applied by one employer or benefit agency at a time.

You can use this form to indicate whether or not you want Tentoo to apply the wages tax credit. If you have informed us of this by telephone or via a web form, then you simply need to sign the statement.
